Effective from 01.07.2021 until Further Notice

CUSTOMER AGREEMENT

This is a legal contract between MainTrade, a registered financial services company in the United Kingdom and is fully licensed by Financial Services Commission, herein after known as (“MainTrade”, “us” or “we”) its successors and assigns, and the party/parties (the “Customer”, “client” or “you”) executing this document. This document, together with our Risk Disclosure Statement, and Privacy Statement, represents the terms with which MainTrade will do business with Customer. This document sets out the respective rights and obligations of both parties in connection with this service and both parties will accept and be bound by these terms on acceptance of the terms contained herein and on completion of the application form by Customer.

In connection with opening an account with MainTrade to speculate in, and/or purchase, and/or sell, Forex, Contracts for Differences (hereinafter referred to as “CFDs”), Options (hereinafter referred to as “Options”) and Spread Betting, in commodities, metals, currencies and indices, and the receipt of such other

services and products as MainTrade may, in its sole discretion, determine to offer from time to time in the future, Customer acknowledges that it has been advised and understands the following factors concerning trading in the over the counter market (“OTC”) and/or Spread Betting market, in addition to those contained in the Risk Disclosure Statement which has been provided to Customer. We trade contracts for differences (“CFD”) transactions in OTC.

In consideration of MainTrade agreeing to provide services to “Customer”, “client” or “you” in connection with the purchase of Forex, CFDs, Options and Spread Betting in commodities, currencies, metals and indices and the receipt of such other services and products as MainTrade may, in its sole discretion, determine to offer from time to time in the future and which may be purchased or sold by or through MainTrade for Customer’s accounts(s), Customer agrees that the following rights and obligations will govern the relationship between MainTrade and Customer.

IMPORTANT NOTICES

OTC trading means that trading does not take place on a regulated exchange. There are no guarantees as to the credit worthiness of the counter party of your Forex, CFDs, Options and Spread Betting position. Also, there may be certain cases in which trading liquidity decreases, causing Forex, CFDs, Options and Spread Betting in commodities, currencies, metals and indices to cease, thereby preventing the liquidation of an adverse position which may result in a substantial financial loss.

MainTrade does not provide investment advice. The market recommendations, signals, information provided by and/or distributed by MainTrade are general in nature and based solely on the judgment of MainTrade’s personnel or from third party information providers. These market recommendations may or may not be consistent with the market position or intentions of MainTrade, its marketing partners, and/or employees. The market recommendations and information provided by MainTrade are based upon information believed to be reliable, but MainTrade cannot and does not guarantee the accuracy or completeness thereof or represent that following such recommendations will eliminate the risk inherent in trading Forex, CFDs, Options and Spread Betting. Any market recommendations of, or information provided by, MainTrade does not constitute an offer to buy or sell, or the solicitation of an offer to buy or sell, any OTC transaction. Customer understands and hereby agrees that Customer is capable of, and solely responsible for, assessing the merits and risks of any trade it may enter into with MainTrade.

Customer understands that MainTrade does not permit its Customer representatives to either exercise discretion or manage an OTC account. If Customer's account is not being traded with Customer's authorisation, Customer must notify MainTrade immediately.

MainTrade's margin policies and/or the policies of those banks/clearing houses through which trades are executed may require that additional funds be provided to properly margin Customer's account and Customer is obligated to immediately meet such margin requirements. Failure to meet margin calls may result in the liquidation of any open positions with a resultant loss. MainTrade reserves the right to refuse to accept any order.

Customer understands that it must carefully review the reports relating to Customer's trading posted online by MainTrade. All reports of execution and statements of accounts will be deemed final unless customer objects within two business days of being posted. Objections may be made initially by email or by telephone, but must be confirmed thereafter in writing.

Customer understands that MainTrade may establish rules and provisions for client accounts, including but not limited to minimum account size, investment time period, commissions and fees, leverage size per instrument, mark ups, rules relating to stop losses and limits, rules relating to rollovers, rules relating to margin calls, or any other financial arrangement, and that such rules and provisions may be changed by MainTrade from time to time.

Customer has read and understands the Customer's obligations and rights under this Customer Agreement and agrees and acknowledges that this Customer Agreement, the Risk Disclosure Statement and the Privacy Statement will comprise the terms of the Customer's relationship with MainTrade. The Customer agrees that Customer is fully responsible for making all decisions as to transactions effected for Customer's account. Customer has considered the foregoing factors and in view of Customer's present and anticipated financial resources, Customer is willing and able to assume the substantial financial risks of OTC trading.

IT IS THE CUSTOMER'S RESPONSIBILITY TO FIND OUT ALL NECESSARY INFORMATION ABOUT TRADING IN FOREX, CFDs, OPTIONS AND SPREAD BETTING AND MAINTRADE TERMS AND CONDITIONS AND MAKE SURE THAT ALL RISKS AND ARRANGEMENTS ARE DISCUSSED AND CLEARLY UNDERSTOOD PRIOR TO ANY TRADING ACTIVITY.

6. APPROPRIATENESS OF TRADING

6.1 Although MainTrade issues general market recommendations, these should not be construed as personal recommendations or advice to trade with MainTrade. As such we are under no obligation to assess the suitability or otherwise of the Customer trading Forex, CFDs, Options and Spread Betting with

MainTrade. All trades entered into by Customer represent an independent decision by the Customer to trade with MainTrade.

7. GOVERNMENTAL COUNTER PARTY INSTITUTION AND INTERBANKING SYSTEM RULES

7.3 Customer acknowledges that all transactions under this Agreement are subject to the aforementioned regulatory requirements and Customer shall not thereby be given any independent legal or contractual rights with respect to such requirements.

8. MARGINS AND DEPOSIT REQUIREMENTS

8.1 Customer shall provide to and maintain with MainTrade margin in such amounts and in such forms as MainTrade, in its sole discretion, may require.

8.2 Such margin requirements may be greater or less than margins required by those banks or brokers with which trades are executed.

8.3 MainTrade may change margin requirements at any time.

8.4 Customer agrees to deposit by immediate wire transfer, or other payment method acceptable to MainTrade, such additional margin when and as required by MainTrade and will promptly meet all margin calls in such mode of transmission as MainTrade in its sole discretion designates.

8.5 MainTrade may at any time proceed to liquidate Customer's account and any failure by MainTrade to enforce its rights hereunder shall not be deemed a waiver by MainTrade to enforce its rights thereafter.

8.6 MainTrade retains the right to limit the amount and/or total number of open positions which Customer may acquire or maintain at MainTrade, and to increase margin requirements in advance of earnings or other news or events, with or

without notice, either before such events or retroactively or at any other time that it deems at its sole discretion.

8.7 Orders must be placed allowing sufficient time to execute and to calculate margin requirements.

8.8 Profits deriving from a transaction shall be added to Customer's account as additional margin, as long as the transaction is open, and upon the closing of the transaction, as an addition to the available balance for withdrawal.

8.9 Losses deriving from a transaction shall be deducted from Customer's account.

9. BONUSES

9.1 MainTrade may elect to grant a benefit to Customer by depositing bonus amounts in Customer's trading account, subject to certain terms and conditions as shall be determined by MainTrade, at its sole discretion. Such bonus amounts may not be withdrawn by Customer, unless Customer complies with the applicable trading requirements posted on MainTrade's website as may be amended from time to time or as communicated to Customer.

9.2 If MainTrade suspects or has reason to believe that Customer has attempted fraudulent activity in order to claim a bonus, or any other promotion, MainTrade reserves the right to:

- (i) Cancel or reject the bonus promotion, and any related Trading Agent bonus, at its sole discretion
- (ii) To terminate Customer's access to services provided by MainTrade and/or terminate the contract between MainTrade and the Customer for the provision of services,
- (iii) To block Customer's Account(s) and to arrange for the transfer of any unused balance to Customer.

9.3 If MainTrade suspects or has reason to believe that Customer has abused the terms and conditions of a bonus offer by hedging positions internally (using other trading accounts held with MainTrade) or externally (using other trading accounts held with other brokers), MainTrade reserves the right to cancel bonuses, and any trades or profits associated with Customer's account(s).

9.4 Bonus promotions may be restricted in certain jurisdictions.

9.5 MainTrade reserves the right to cancel or reject bonus promotions at its sole discretion.

10. OPTIONS

10.1 Options are contracts that give the buyer the right, but not the obligation, to buy (in the case of a Call Option) or to sell (in the case of a Put Option) a

specified FX/CFD at a specified price (the “Strike”) at a specified time and date (the “Expiration”), from or to the seller of the option. These are commonly known as European style vanilla options.

10.2 The proceeds of the purchase or sale of an Option (the “Cost”, or “Premium”) will be immediately debited or credited to the cash balance of the account. At Expiration, Options that are in the money will be automatically closed out at intrinsic value, that is, in the case of Call Options, the amount by which the closing price of the specified FX/CFD exceeds the strike price, and in the case of Put Options, the amount by which the Strike exceeds the closing price of the specified FX/CFD. For long Call and short Put positions, the closing price will be the prevailing bid price of the underlying FX/CFD at Expiration; and for short Call and long Put positions, the closing price will be the prevailing ask (offer) price of the underlying FX/CFD, as determined by MainTrade in its sole discretion. Options that are not in the money will expire worthless.

10.3 The Customer acknowledges, recognizes and accepts that MainTrade quotes variable spreads on Options. The Client is specifically made aware that variable option spreads are affected by actual market conditions, which are beyond MainTrade’s control. MainTrade does not guarantee any maximum or minimum quotable option spreads. There may be times when Options quotes are not available in some underlying FX/CFDs.

10.4 We allow you to perform various transactions, including in respect of options based on various indices that shall be defined by us from time to time (for example, index rates and stock and option rates), and to receive financial information and various other services as we shall determine in our sole discretion. Prior to effecting any transaction, we advise you to read the explanations that may be found on the website regarding each type of transaction. The rules of trade are set exclusively by MainTrade

10.5 We will make available, by posting on www.MainTrade.co, the current price applicable to a share or index, and offer you the opportunity to submit a put or call position in respect of such share. Each position shall be for a specified expiry time. We expect that the current prices will be reasonably related to the actual prices of such shares available in the market. We make no warranty, express or implied, that the quoted prices represent prevailing quoted prices.

11. CUSTOMER ASSETS

11.1 Interest is not payable by MainTrade on client funds deposited by Customer.

11.2 All funds, securities, currencies, and other property of Customer which MainTrade or its marketing partners may at any time be carrying for Customer

(either individually, jointly with others, or as a guarantor of the account of any other person,) or which may at any time be in its possession or control or carried on its books for any purpose, including safekeeping, are to be held by MainTrade as security and subject to a general lien and right of set-off for liabilities of Customer to MainTrade whether or not MainTrade has made advances in connection with such securities, commodities, currencies or other property, and irrespective of the number of accounts Customer may have with MainTrade.

11.3 MainTrade may in its discretion, at any time and from time to time, without notice to Customer, apply and/or transfer any or all funds or other property of Customer between any of Customer's accounts.

11.4 Customer hereby also grants to MainTrade the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other Customers, to itself as broker or to others, any securities or other property of Customer held by MainTrade as margin or security.

11.5 MainTrade shall at no time be required to deliver to Customer the identical property delivered to or purchased by MainTrade for any account of Customer.

11.6 This authorization shall apply to all accounts carried by MainTrade for Customer and shall remain in full force until all accounts are fully paid for by Customer or notice of revocation is sent by MainTrade from its home office.

11.7 Any failure by MainTrade to enforce its rights hereunder shall not be deemed a future waiver of such rights by MainTrade.

11.8 MainTrade is irrevocably appointed as attorney in-fact for Customer and is authorized, without notice to Customer, to execute and deliver any documents, give any notice and to take any actions on behalf of Customer, including the execution, delivery and filing of financing statements, that MainTrade deems necessary or desirable to evidence or to protect MainTrade's interest with respect to any collateral.

11.9 In the event that the collateral deemed acceptable to MainTrade is at any time insufficient to satisfy Customer's indebtedness or other obligations to MainTrade, including obligations to provide margin hereunder, Customer shall promptly pay upon demand the entire amount of such deficit.

11.10 Default of Credit Institution and Monitoring:

12.10.1 In the event of default of one of our appointed credit institutions, MainTrade does not accept responsibility and is not subject to any liability arising from losses to clients arising from such a default.

12.10.2 However, we conduct appropriate and continuing risk assessment of our appointed credit institutions in order to ensure that our appointed credit institutions are safe repositories.

12.10.3 We will supply the details of our appointed credit institutions on request to retail clients, including the names of those institutions and the client account details.

12.10.4 Where Customer does not wish MainTrade to deposit funds with a particular credit institution we will return such funds to Customer as soon as possible.

11.11 Pursuant to section 11.4 Customers trading on the MainTrade Direct platform agree to the transfer of full ownership of funds to MainTrade for the purpose of securing or otherwise covering a required margin and as such the required margin will no longer be treated as belonging to the Customer. MainTrade will deposit the required margin as collateral with its liquidity provider(s). These funds will not be registered in the customer's name. Funds deposited by the Customer in excess of the required margin will be treated as client funds in accordance with the Client Asset.

12. CONFLICTS OF INTEREST

12.1 MainTrade is required to maintain and operate effective organisational and administrative controls to take all reasonable steps to identify, manage, disclose and record conflicts of interest. In order to achieve this MainTrade has established and implemented a Conflicts of Interest policy.

12.2 Where arrangements made by MainTrade to manage conflicts of interest are insufficient to ensure, with reasonable confidence, that risks of damage to client interests will be prevented, MainTrade shall clearly disclose to the client the general nature and the sources of the conflicts of interest before undertaking business on the client's behalf.

13. COMPLAINTS

13.1 In the event that you have any query and/or concern and/or issue and/or problem and/or reason to feel dissatisfied with any aspect of our service, in the first instance you should contact our customer services team, as the vast majority of issues can be dealt with at this level, via: customercare@maintrade.co

13.2 If our customer services team is unable to resolve the matter or you feel that our service has not met your expectations and you wish to raise this issue as a formal complaint, you must complete a Complaint Form.

13.3 We will provide you with a regular written update on the progress of the investigation of the complaint at intervals of not greater than 20 business days;

13.4 We will attempt to investigate and resolve the complaint within 40 business days of having received the complaint;

13.5 Where the 40 business days have elapsed and the complaint is not resolved, we will inform you of the anticipated timeframe within which we hope to resolve the complaint.

13.6 Once an investigation of the complaint is completed, a Final Response shall be issued to the Client with the investigation's outcome(s) together with any required explanations and any remedy measures the Company intends to take.

13.7 A Complaint will be deemed as resolved or settled where the Company has sent in writing a Final Response to the Client.

13.8 If you do not feel that your complaint has been resolved satisfactorily and remain dissatisfied, we advise that you seek independent legal advice.

14. LIQUIDATION OF ACCOUNTS AND PAYMENT OF DEFICIT BALANCES

14.1 In the event of (a) the death or judicial declaration of incompetence of Customer; (b) the filing of a petition in bankruptcy, or a petition for the appointment of a receiver, or the institution of any insolvency or similar proceeding by or against Customer; (c) the filing of an attachment against any of Customer's accounts carried by MainTrade, (d) insufficient margin, or MainTrade's determination that any collateral deposited to protect one or more accounts of Customer is

inadequate, regardless of current market quotations, to secure the account; (e) Customer's failure to provide us with any information requested pursuant to this agreement or any applicable law; or (f) any abuse of trading practices, manipulations and/or fraud by Customer or any other person authorized to use the account; or (g) any other circumstances or developments that we deem appropriate for its protection, and in MainTrade's sole discretion, it may take one or more, or any portion of, the following actions:

(i) Satisfy any obligation Customer may have to us, either directly or by way of guaranty of suretyship, out of any of Customer's funds or property in MainTrade's custody or control;

(ii) Sell any or purchase any or all Currency contracts, securities held or carried for Customer; and

(iii) Cancel any or all outstanding orders or contracts, or any other commitments made on behalf of Customer.

14.2 Any of the above actions may be taken without demand for margin or additional margin, without prior notice of sale or purchase or other notice to Customer, Customer's personal representatives, heirs, executors, administrators,

trustees, legatees or assigns and regardless of whether the ownership interest shall be solely Customer's or held jointly with others.

14.3 Prior demand or notice of sale or purchase shall not be considered a waiver of MainTrade's right to sell or buy at any time in the future without demand or notice as provided above.

14.4 In liquidation of Customer's long or short positions, MainTrade may, in its sole discretion, offset in the same settlement or it may initiate new long or short positions in order to establish a hedge which in MainTrade's sole judgment may be advisable to protect or reduce existing positions in Customer's account.

14.5 Any sales or purchases hereunder may be made according to MainTrade's judgment and at its discretion with any interbank or other exchange market where such business is then usually transacted or at a public auction or private sale, and MainTrade may purchase the whole or any part thereof free from any right of redemption.

14.6 For Customer's protection, Equity or Net Liquidation Value of the Customer's trading account drops below the Minimum Margin Requirement, all of Customer's open transactions shall be automatically closed, whether at a loss or a profit.

15.6.1 For the MainTrader and MetaTrader platforms, the Minimum Margin Requirement is equal to 10% of the Required Margin.

15.6.2 For the platform, the Minimum Margin Requirement is equal to 50% of Required Margin.

14.7 If the amount in Customer's trading account is less than zero, Customer shall promptly notify MainTrade and MainTrade shall nullify the account.

14.8 Neither MainTrade nor any of its subsidiaries, marketing partners or agents shall be responsible for any loss or damage caused due to closing of positions in accordance with the above.

14.9 Customer shall at all times be liable for the payment of any deficit balance of Customer upon demand by MainTrade and in all cases, Customer shall be liable for any deficiency remaining in Customer's account(s) in the event of the liquidation thereof in whole or in part by MainTrade or by Customer.

14.10 In the event the proceeds realized pursuant to this authorisation are insufficient for the payment of all liabilities of Customer due to MainTrade, Customer shall promptly pay upon demand, the deficit and all unpaid liabilities, together with interest thereon equal to three (3) percentage points above the then prevailing prime rate at MainTrade's principal bank or the maximum interest rate

allowed by law, whichever is lower, and all costs of collection, including attorney's fees, witness fees, travel expenses and the like.

14.11 In the event MainTrade incurs expenses other than for the collection of deficits, with respect to any of the account(s) of Customer, Customer agrees to pay such expenses.

15. FEES/CHARGES

15.1 Fees arising out of MainTrade providing services are outlined in the website.

15.2 Customer is aware that a part of MainTrade's revenues derives from the spread on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction.

15.3 MainTrade may increase or decrease spreads on any or all instruments, at its sole discretion, at any time without notification due to various mitigating factors – market sentiment, news times or announcements, trading volumes, market volatility and/or additional internal or external factors. This may be effected on an individual client basis or for all clients simultaneously.

15.4 Spreads may be increased where a third party inter alia – Marketing partner, Introducing Broker, Marketing Partner, refer a Customer to MainTrade. This additional spread may be transferred to the third party who referred the Customer as remuneration.

15.5 Where a customer requests a specific fee structure, a commission may be payable by Customer to open and close Forex, CFDs, Options and Spread Betting positions. Such commission payable will be debited from Customer's account at the same time as MainTrade opens or closes the relevant Forex, CFDs, Options and Spread Bets.

15.6 Where we increase or introduce any new charges, we will post the changes on our website at least 7 days before they take effect.

15.7 We may also charge for incidental banking-related fees such as wire charges for deposits/withdrawals and returned check fees.

15.8 In certain circumstances additional fees may include such things as statement charges, order cancellation charges, account transfer charges, telephone order charges or fees imposed by any interbank agency, bank, contract, market or other regulatory or self-regulatory organisations arising out of MainTrade's provision of services hereunder.

15.9 Customer may incur additional fees for the purchase of optional, value added services we offer.

15.10 ROLLOVERS, OVERNIGHT INTEREST:

16.10.1 A daily financing charge may apply to each Forex, CFDs, Options and Spread Betting open position at the closing of MainTrade's trading day as regards that Forex, CFD, Options and Spread Bet.

16.10.2 If such financing charge is applicable, it will either be requested to be paid by Customer directly to MainTrade or it will be paid by MainTrade to Customer, depending on the type of Forex, CFDs, Options and Spread Betting and the nature of the position Customer holds.

16.10.3 The method of calculation of the financing charge varies according to the type of Forex, CFDs, Options and Spread Betting to which it applies. Moreover, the amount of the financing charge will vary as it is linked to current interest rates (such as LIBOR).

16.10.4 The financing charge will be credited or debited (as appropriate) to Customer's account on the next trading day following the day to which it relates.

16.10.5 MainTrade reserves the right to change the method of calculating the financing charge, the financing rates and/or the types of Forex, CFDs, Options and Spread Betting to which the financing charge applies.

16.10.6 For certain types of Forex, CFDs, Options and Spread Betting, a commission is payable by Customer to open and close Forex, CFDs, Options and Spread Betting positions. Such commission payable will be debited from Customer's account at the same time as MainTrade opens or closes the relevant Forex, CFDs, Options and Spread Bets.

16.10.7 Trades in CFDs and Spread Betting are linked to the market price of a certain base asset, including the market price of future contracts. A few days prior to the expiration date of the base asset to which the CFD and Spread Betting is linked, the base asset shall be replaced with another asset, and the quotation of the CFD and Spread Betting shall change accordingly.

16.10.8 CFDs and Spread Betting does not have an expiration date.

16.10.9 Trades in CFDs and Spread Betting are continuous and the base assets to which they are linked vary from time to time.

16.10.10 MainTrade reserves the right to determine the base asset to which CFDs and Spread Betting is linked, the date of replacement of the base asset, and the replacement conditions.

16.10.11 Following the replacement of the base asset, the quotation of the CFDs and Spread Betting shall be adjusted, and the Customer's account shall be credited or debited, as applicable, in accordance with the difference in quotations created due to the replacement of the base asset.

16.10.12 The difference in quotations between the base assets is affected by the difference in rates between selling and buying of such assets in the market, and therefore the revaluation of selling and buying transactions shall be in different values.

16.10.13 Customers will incur costs in relation to the Spread Cost in closing the Old contract and Opening the New Contract and a Standard Overnight Interest charge.

16.10.14 In most cases, the debits shall be higher than credits.

16.10.15 Any open transaction held by Customer at the end of the trading day as determined by MainTrade or over the weekend, shall automatically be rolled over to the next business day so as to avoid an automatic close and physical settlement of the transaction.

16.10.16 Customer acknowledges that when rolling over such transactions to the next business day, overnight interest may be either added or subtracted from Customer's account with respect to such transaction.

16.10.17 The overnight interest amount shall be determined by MainTrade from time to time, in MainTrade's absolute discretion.

16.10.18 Customer hereby authorizes MainTrade to add or subtract the overnight interest to or from Customer's account for any open transaction that have accrued overnight interest, in accordance with the applicable rate thereto, each day at the time of collection specified on the trading platform for each individual instrument, as applicable.

16. COMMUNICATIONS, STATEMENTS AND CONFIRMATIONS

16.1 Reports, statements, notices, trade confirmations, and any other communications will be posted online and may be transmitted to such address as Customer may from time to time designate in a written or electronic communication to MainTrade.

16.2 Customer is responsible for alerting MainTrade to any change in its e-mail address.

16.3 Communications are deemed received when made available to Customer by MainTrade, regardless of whether Customer actually accessed the statement.

16.4 Customer will be able to generate daily, monthly and annual account statements detailing transaction activity, profit and loss statements, open positions, margin balances, account credits and debits.

16.5 Customer understands that it must carefully review the reports relating to Customer's trading posted online by MainTrade.

16.6 Reports of the confirmation of orders and statements of accounts for Customer posted online by MainTrade shall be deemed correct and shall be conclusive and binding upon Customer if not objected to within two business days of the posting online.

16.7 Objections may be made initially by email or by telephone, but must be confirmed thereafter in writing.

16.8 If Customer becomes aware of an error with respect to any report or statement, such as amounts erroneously credited to Customer, Customer shall immediately inform MainTrade and is responsible to return such amount to MainTrade, and if MainTrade becomes aware of such occurrence, MainTrade is expressly authorized to correct such error by correcting such report or statement, and, if applicable, treating this as a Deficit Balance.

16.9 Customer declares that by providing its registration data to MainTrade it hereby consents to, MainTrade, its subsidiaries, marketing partners and agents sending, and Customer receiving, by means of telephone, facsimile, SMS or e-mail, communications containing content of a commercial nature relating to Customer's use of the trading platform, including information and offers from MainTrade or third parties that MainTrade believes Customer may find useful or interesting, such as newsletters, marketing or promotional materials.

16.10 Customer acknowledges that MainTrade does not have to separately obtain Customer's prior consent (whether written or oral) before distributing such communications to Customer, provided that MainTrade shall cease to distribute such communications should Customer notify MainTrade in writing that Customer no longer desires to receive such commercial communication.

16.11 Client statements can be generated by the client at any time on the on-line trading platform. These statements will record the time the order was executed and the balance of their account. Our internal records will state the time the order was requested from the client.

16.12 MainTrade will also provide the client with a statement on an annual basis outlining the details of funds held by the firm for the client at end of the period covered by the statement. Statements will also show all charges applied during the period covered by the statement, if any.

16.13 Real time access to each client's account showing transactions, the time orders were filled and the balance on the client's account will also be available to customers.

17. DISCLAIMER OF WARRANTIES / LIMITATION OF LIABILITY

17.1 MainTrade and/or any of its subsidiaries, marketing partners or agents shall not be responsible for any loss or damage caused, directly or indirectly, by any events, actions or omissions beyond the control of MainTrade including, without limitation, loss or damage resulting, directly or indirectly, from any delays or inaccuracies in the transmission of orders and/or information due to breakdown or failure of transmission or communication facilities, or electrical power outage.

17.2 Neither MainTrade nor any of its subsidiaries, marketing partners or agents warrants that the trading platform or any services provided (including Third Party Licenses) will be available without interruption or will be error free and such trading platform and services are being provided "AS IS" without any representation or warranty of any kind whatsoever except as otherwise set forth herein.

17.3 Under no circumstances shall MainTrade or any of its subsidiaries, marketing partners or agents be liable for any direct, indirect, punitive, incidental, special, or consequential damages that result from the use of, or inability to use, MainTrade's trading platform or services (including Third Party Licenses) including but not limited to lost profits, loss of business, trading loss, loss of data or use of data, any unauthorized access to, alteration, theft or destruction of Customer's computers, computer systems, data files, programs or information, or costs of procurement of substitute goods or services.

17.4 Customer agrees that this section represents a reasonable allocation of risk, that this section is an essential element of this Agreement and that in its absence; the economic terms of this Agreement would be substantially different.

17.5 This limitation applies whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if MainTrade or any of its subsidiaries, marketing partners or agents has been advised of the possibility of such damage.

17.6 Neither MainTrade nor any of its subsidiaries, marketing partners or agents has liability or duty of indemnification related to unusable data, lost or corrupt Customer transactions or data, by whatever means, in whatever form.

17.7 This limitation of liability additionally eliminates any duty or liability on the part of MainTrade or any of its subsidiaries, marketing partners or agents related to unusable data, lost or corrupt Customer transactions or data, resulting in part or in whole from third-party software or networking goods or services or from internet related problems or from actions or events outside of MainTrade's control.

17.8 MainTrade and its subsidiaries, marketing partners and agents disclaim any and all liability resulting from or related to any breach of internet security or disruption, distortions or delays of Customer's connections to the internet, due to any reason.

17.9 As OTC is not an exchange traded market, prices at which MainTrade deals at or quotes may or may not be similar to prices at which other OTC market makers deal at or quote.

17.10 Should a quoting or execution error occur, which may include, but are not limited to, a mistype of a quote, a quote that is not representative of fair market prices, an erroneous price quote from a dealer or erroneous price quote due to failure of hardware, software or communication lines or systems or inaccurate external data feeds provided by third-party vendors, MainTrade will not be liable for the resulting errors in account balances. Without derogating from the above, in the event that transactions shall be closed or opened based on the Erroneous Quote, MainTrade's trading room attempts to recognize such event and to act promptly to reset such event. Customer acknowledges that the reset process may take time, during which Customer may not be able to use its trading account, and outstanding orders may not be executed.

17.11 In case MainTrade will identify an erroneous quote or an outdated quote, it may offer the Customer an alternative quote or alternatively to continue the transaction, all at the sole discretion of MainTrade.

17.12 Customer further acknowledges that MainTrade, its subsidiaries, marketing partners and agents shall not be liable for any loss or damage caused due to or in connection with such reset process.

17.13 Third Party Licenses:

18.13.1 If any third party software is included within or embedded in the MainTrade website or online trading platform, then such embedded third party software shall be provided subject to the terms of this Customer Agreement which apply to the online trading platform.

18.13.2 Customer shall fully comply with terms of any Third Party Licenses that we provide from time to time.

18.13.3 We provide no express or implied warranty, indemnity or support for the Third Party Licenses, and will have no liability related thereto.

18.13.4 "Third Party Licenses" means licenses from third parties governing third party software embedded or used in the trading platform.

18. FOREX, CFDs, OPTIONS AND SPREAD BETTING FLUCTUATION RISK

18.1 If Customer directs MainTrade to enter into any Forex, CFDs, Options and Spread Betting transaction:

(i) Any profit or loss arising as a result of a fluctuation in Forex, CFDs, Options and Spread Betting will be entirely for Customer's account and risk;

(ii) All initial and subsequent deposits for margin purposes shall be made in U.S. Dollars, EUROS, Great British Pounds or Japanese Yen in such amounts as MainTrade may in its sole discretion require; and

(iii) MainTrade is authorized to convert funds in Customer's account for margin into and from such foreign currency at a rate of exchange determined by MainTrade in its sole discretion on the basis of the then prevailing money market rates.

19. INDEMNIFICATION

19.1 Customer agrees to indemnify and hold MainTrade, its subsidiaries, marketing partners, agents, employees, agents, successors and assigns ("MainTrade Indemnities") harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred by any of MainTrade indemnities arising out of Customer's failure to fully and timely perform Customer's obligations herein or under any Third Party License or should any of Customer's representations and warranties fail to be true and correct.

19.2 Customer also agrees to pay MainTrade indemnities promptly all damages, costs and expenses, including attorney's fees, incurred in the enforcement of any of the provisions of this Agreement and any other agreements between MainTrade and Customer.

19.3 In addition to any limitations of liability specified elsewhere in this Agreement, MainTrade indemnities shall not be held liable and are released from all claims and losses incurred in such regard if the claim or loss was caused or contributed to by:

(i) The actions or omission to act on the part of Customer,

(ii) Any act or omission by any person obtaining access to Customer's account, whether or not Customer has authorized such access or not,

(iii) System malfunction, equipment failure (whether Customer's equipment or MainTrade's equipment), system interruption or system unavailability,

(iv) Delays, failure or errors in implementing any instruction,

(v) Inaccurate or incomplete instructions received by MainTrade's from Customer,
or

(vi) Any reliance or use by Customer or any other third party with access to Customer's account of any financial and market data, quotes, news, analyst opinions, research reports, graphs or any other data or information whatsoever available through the trading platform or any Third Party License, whether to complete a transaction on the trading platform or for any other purpose whatsoever.

19.4 MainTrade shall be entitled to setoff Customer's liabilities under this section from Customer's account.

20. MARKET ABUSE AND MANIPULATION

20.1 PROHIBITION ON ARBITRAGE AND MANIPULATION

21.1.1 MainTrade does not permit the practice of arbitrage when trading and strictly forbids any form of manipulation of its prices, execution, and platform or making transactions based on errors, omissions or misquotes on the MainTrade platform.

21.1.2 Price latency, connectivity delays, and price feed errors sometimes create a situation where the prices displayed do not accurately reflect market rates. The concept of arbitrage and "scalping", or taking advantage of these Internet delays, cannot exist in an OTC market where the client is buying or selling directly from the market maker.

21.1.3 Any transactions that rely on price latency or price feed errors may be subject to intervention which includes the right to void any transactions which MainTrade has determined to be a result of any of these practices, revocation of profits, widening of spreads, block of trading and any other necessary corrections or adjustments on the account without prior notice.

21.1.4 If MainTrade suspects or has reason to believe that Customer has abused the terms and conditions by hedging positions internally (using other trading accounts held with MainTrade) or externally (using other trading accounts held with other brokers), MainTrade reserves the right to cancel any trades or profits associated with Customer's account(s).

20.2 MARKET ABUSE

21.2.1 MainTrade may hedge our liability to you by opening analogous positions with other institutions or in the underlying market. The result of our doing this is that when you trade with us your trades can, through our hedging, exert a distorting influence on the underlying market for that index, in addition to the impact that it may have on our own prices. This creates a possibility of market abuse.

21.2.2 Customer represents and warrants, and agrees that each such representation and warranty is deemed repeated each time Customer opens or closes a position that:

(a) Customer will not place and has not placed a trade with us relating to a particular index or any other CFD price if to do so would result in Customer, or others with whom Customer is acting in concert together, having an exposure to the price of the underlying financial instrument which can create a situation of market abuse.

This exposure can be equal to or exceeding the amount of a declarable interest in the relevant financial instrument. For this purpose, the level of a declarable interest will be the prevailing level at the material time, set by law or by the stock exchange(s) or other exchange upon which the underlying financial instrument is traded; and

(b) Customer will not place and has not placed a trade with us in connection with:

(i) a placing, issue, distribution or other analogous event;

(ii) an offer, take over, merger or other analogous event; or

(iii) any other corporate finance style activity, in which Customer is involved or otherwise interested; and

(c) Customer will not place or close a position and Customer will not place an order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. Customer agrees that MainTrade may proceed on the basis that when Customer opens or closes a position or places an order on a share price, Customer may be treated as dealing in securities within the meaning of the relevant statutes or regulations.

21.2.3 In the event that (a) Customer places or closes any trade or places an order in breach of the representations and warranties given, or MainTrade has reasonable grounds for suspecting that Customer may have done so, MainTrade may at our absolute discretion and without being under any obligation to inform Customer of our reason for doing so close that trade and any other trade or trades that you may have open at the time, if applicable, and also at our absolute discretion cancel any trades or profits associated with Customer's account(s)

21.2.4 Customer acknowledges that trade are speculative arrangements and Customer agrees that Customer will not enter into any transactions with us in connection with any corporate finance style activity.

21.2.5 Customer acknowledges that it would be improper for Customer to deal in the underlying market if the sole purpose of such a transaction was to impact on

our bid or offer prices, and Customer agrees not to conduct any such transactions.

21. EXECUTION OF ORDERS, STOP AND LIMITS

21.1 MainTrade will use commercially reasonable efforts to complete all orders which it may, in its sole discretion, choose to accept in accordance with the oral or written or computer instructions of Customer.

21.2 MainTrade reserves the right to refuse to accept any order.

21.3 MainTrade may, at its sole discretion, allow Customer to specify a closing price for a transaction at the trading platform through a "Close at Loss" and "Close at Profit" order, subject always to the terms of this Agreement and any other terms and conditions MainTrade may implement from time to time.

22.3.1 "Close at Loss" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is lower than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is higher than the opening transaction price.

22.3.2 "Close at Profit" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is higher than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is lower than the opening transaction price.

21.4 Upon Customer's offer and MainTrade's acceptance of an order, Customer hereby authorizes MainTrade to close the transaction at the Close at Loss price or Close at Profit price, as applicable, and as agreed upon in the order, without further instruction from or notification to Customer.

21.5 MainTrade may, in its sole discretion, close the transaction when the price quoted by MainTrade on the trading platform equals the price accepted by MainTrade for such an order.

21.6 Customer acknowledges and agrees that MainTrade shall not be obligated to close a transaction which does not otherwise comply with any other limitations agreed upon with respect to such transaction.

21.7 Customer acknowledges and agrees that due to market volatility and factors beyond MainTrade's control, MainTrade cannot guarantee that a Close at Loss order will be executed at the level specified in Customer's order. In such an event, MainTrade will close the transaction at the next best price.

21.8 If, before Customer's "Limit Order" offer to open or close a transaction is accepted by MainTrade, MainTrade's quote moves to Customer's advantage (for example, if the price goes down as Customer buys or the price goes up as Customer sells) Customer agrees that MainTrade will execute the closing transaction at the Customer's specified price and not better. Customer agrees that MainTrade can retain such price movement for its own account.

21.9 Customer is aware that a part of MainTrade's revenues derives from the spreads on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction. Therefore, in case the fair market price reduces MainTrade's spread in a specific transaction, MainTrade may, at its sole discretion, choose not to execute such transaction, in which case MainTrade may send Customer an amended quote for his consideration. MainTrade may complete a transaction at its sole discretion in case the fair market price does not affect MainTrade's spread from the transaction and / or increases it.

22. RISK ACKNOWLEDGMENT

22.1 Customer acknowledges that investment in leveraged and non-leveraged transactions are speculative, involves a high degree of risk, and is appropriate only for persons who can assume risk of loss of their entire margin deposit.

22.2 Customer understands that because of the low margin normally required in OTC trading, price changes in OTC may result in significant losses.

22.3 Customer warrants that Customer is willing and able, financially and otherwise, to assume the risk of OTC trading, and in consideration of MainTrade's carrying his/her account(s), Customer agrees not to hold MainTrade and any of its subsidiaries, marketing partners or agents responsible for any losses incurred by Customer.

22.4 Customer recognizes that guarantees of profit or freedom from loss are impossible in OTC trading.

22.5 Customer acknowledges that Customer has received no such guarantees from MainTrade or from any of its representatives or any introducing agent or other entity with whom Customer is conducting his/her MainTrade account and has not entered into this agreement in consideration of or in reliance upon any such guarantees or similar representations.

22.6 The high degree of leverage that is obtainable in the trading of Forex, CFDs, Options and Spread Betting transactions can work against you as well as for you. Leverage can lead to large losses as well as gains.

22.7 During times of extreme volatility it can be difficult or impossible to execute orders.

23. MARKET RECOMMENDATIONS AND INFORMATION

23.1 Customer acknowledges that:

(i) Any market recommendations, signals and information communicated by any method of communication to Customer by MainTrade and any of its subsidiaries, marketing partners, agents or by any person within MainTrade does not constitute an offer to sell or the solicitation of an offer to buy any OTC contract, and that MainTrade does not provide investment advice

(ii) Such recommendation and information, although generally based upon information obtained from sources believed by MainTrade to be reliable, may be based solely on a broker's opinion and that such information may be incomplete and may be unverified, and

(iii) MainTrade makes no representation, warranty or guarantee as to, and shall not be responsible for, the accuracy or completeness of any information or market recommendation furnished to Customer and shall not be responsible for any loss or damage including without limitation any loss of margin or profits which may arise directly or indirectly from use or reliance on such recommendations or information.

23.2 Customer understands that Customer is solely responsible for assessing the merits and risks of any trade it may enter into with MainTrade whether as a result of information provided by MainTrade or otherwise.

23.3 Customer acknowledges that MainTrade and/or its officers, directors, marketing partners, associates, stockholders or representatives may have a position in or may intend to buy or sell Forex, CFDs, Options and Spread Bets, which are the subject of market recommendations furnished to Customer, and that the market position of MainTrade or any such officer, director, marketing partner, associate, stockholder or representative may not be consistent with the recommendations furnished to Customer by MainTrade.

23.4 Customer acknowledges that MainTrade makes no representations concerning the tax implications or treatment of any trading activity.

25.4 The Customer agrees to immediately inform us if the Customer's financial condition changes in such a way to reduce the Customer's net worth, liquid assets and/or risk capital.

26. NO SEPARATE AGREEMENTS
